## ARGUMENT BEGINS IN BOOTH LIBEL CASE

JUROR PERKINS IS BETTER AND IS ABLE TO SIT IN THE JURY BOX

Taking of evidence in the case of the State of Nevada against W. W. Booth (in which the county commissioners are the prosecuting witnesses) on the charge of libel, was concluded late yesterday afternoon, Attorney Milton M. Detch for the defense put only one witness on the stand, his examination occupying two days.

This morning's session of the fifth judicial district court, Judge Walsh presiding, was occupied by argument over the court's instructions to the jury. Argument began at 1:30 and the case will probably go to the jury late this afternoon. Juror Perkins, who listened to the testimony yesterday while lying on a cot, was better today and was able to sit up during the proceedings.

## NEW TEACHERS FOR THE PUBLIC SCHOOLS

MISS FRANCES GOWER WILL ARRIVE FROM EAST TO TAKE POSITION

At a meeting of the city board of education last evening Miss Frances Gower, of Russell, Kansas, was formally elected as a member of the corps of teachers of the Tonopah schools. From a number of applicants Miss Gower was finally selected as most nearly meeting the requirements of the position.

Miss Gower is a graduate of the Kansas state normal at Emporia and holds not only the regular normal diploma entitling her to teach any subject in the schools of her state, but also a music supervisor's diploma and a violin diploma. She has done much concert work as solo violinist and has played five years in the normal symphony orchestra. She has had experience in teaching both public school music and violin in the normal. During the present year she has been teaching some of the sight-seeing classes in the high school department of the Kansas normal, while completing the requirements for the degree of B. S. in education, which she will receive in June.

It is expected that Miss Gower will arrive in Tonopah the coming Tuesday morning, ready to take up her duties in the public schools.

## MISS DAoust GIVES TALK TO STUDENTS

Miss Daoust was called upon to talk to the student body during assembly period and responded with a delightful description of her experiences and life as she has thus far found it at the university.

Miss Daoust was ever a loyal and popular booster for the Tonopah high school and she is now as loyal and popular a booster for the University of Nevada. The pupils were much interested in her talk and she will ever be a welcome visitor at Tonopah high.

## ALL DOGS IN NYE MAY BE ORDERED MUZZLED

COUNTY COMMISSIONERS CONSIDERING ENACTMENT OF AN ORDINANCE

The board of county commissioners is still in session, but no business has been transacted thus far excepting allowing bills. The board received from the state board of health an urgent request that it enact an ordinance requiring the muzzling of all dogs and that the ordinance be most effectively enforced. The board is considering the matter, but has thus far taken no action in the matter of drafting the requested ordinance.

The state board of health made the request in view of the rapid spread of rabies, which has not yet reached this county, although the northern border is threatened by the arrival of south moving bands of sheep with their attendant rabid coyotes.

## MR. POHL TRYING TO HAVE ELK IMPORTED

TWO CARLOADS OF THESE MAGNIFICENT ANIMALS AT THE DISPOSAL OF NEVADA

County Clerk Pohl is in receipt of a communication from Secretary of State Brodigan, advising him that there is a possibility of Nye county receiving a number of elk, the four-legged wearers of antlers, which are fully protected by law and should multiply here in the pinyon clad hills.

The fish and game warden at Salt Lake City wrote to Mr. Brodigan, saying that he could secure through the government a couple of carloads of elk for Nevada, to be placed where they would have the best natural advantages, among which are bunch grass feed, temperate winters and not unreasonable summers, sparsity of population and other conditions which Mr. Pohl, in his reply to Secretary Brodigan, says are ideal in Nye county.

though I believe as to some of the commodities, at least, they are high enough. It is not certain they can be controlled, for the reason that the requirements of purchasers and the offers they make fix the prices to a large extent.

## OFFICERS OF EASTERN STAR ARE INSTALLED

MRS. BURDICK, WORTHY GRAND MATRON, CONDUCTS THE CEREMONY

Last night Turquoise chapter of Eastern Star of Tonopah held installation of its officers for the ensuing year. Mrs. Burdick, who is worthy grand matron of the state of Nevada, performed the ceremony with credit and dignity. Mrs. Burdick is a woman of rare intellect and admirable character, and it is with pride and pleasure that Turquoise chapter has given to Nevada her present worthy grand matron.

Mrs. Ferris, the worthy matron of the year 1915 passed the gavel with well chosen words, to the worthy grand matron and then Mrs. Burdick installed the officers for the year, 1916. Mrs. Galvin is worthy matron and Mr. Cochran is her associate patron. The Cochran family is well represented this year as Mrs. Cochran was installed in the next highest office, following Mrs. Galvin.

Matrons and their families were guests of the Stars and the impressive ceremony was enjoyed by all. Many speeches were made following the installation of officers. Some solemn, some humorous and some even witty, but all were well chosen and impressive.

A buffet supper followed. The buffet decorations were a huge bunch of red carnations as the centerpiece with red maline effectively intertwined among the silver and crystal. From beginning to end the members of Turquoise chapter of Eastern Stars were a credit to themselves as well as to their order.

Following are the officers that were installed: Mrs. Clara Galvin, worthy matron; Wm. Cochran, worthy patron; Mrs. Ida Cochran, associate matron; Mrs. Ruby Pettigrove, secretary; Mrs. Mary Davis, treasurer; Mrs. Lizzie Wardle, conductress; Mrs. Lola Hasman, associate conductress; Ralph Burdick, chaplain; Mrs. Cornelia Farris, marshal; Mrs. MeLeod, organist; Mrs. Jessie Simmons, Adah; Mrs. Hamilton Read, Ruth; Mrs. Pauline Tasem, Esther; Mrs. Linn Lewers, Martha; Mrs. Emma Treecise, Electa; Mrs. Dora Parker, warder; Ralph Wardle, sentinel.

## BIG DOINGS BY THE EAGLES AT SMOKER

Tonopah aerie No. 271, Fraternal Order of Eagles, has always been famed for its smokers and other entertainments, but tomorrow evening the aerie will outdo itself. Officers of the lodge will be installed in a brief business session, after which the good eatables, drinkables and smokables will be attacked with ardor and then will come post-prandial speeches and story telling. It is officially announced that the personal representative of Kaiser Wilhelm will be present, but he will not discuss the war. However, he will bring a pleasant greeting from his royal master.

Advise in the Bonanza.

## NEW TODAY

## Coffee

Extravagant—to pack good coffee in ordinary tins! Its rich full fragrance leaks away like water in a sieve.

The flavor of Schilling's Best is too fine to waste that way; we take too much care in selection, grinding evenly and taking-out the bitterish chaff.

So we seal it in airtight tins—keep it suffused in every atom of its own fresh aroma until you get it.

Coffee nowadays is better—thank the airtight tin!

## Story of a Postal Card.

Don't despise the badly written postal card, moralizes a writer in Business. He received a card that was written in a scrawl and showed signs of having been in the writer's pocket for some time after he had signed it. But it was answered just as if it had been written by a reputable business man. And it was. It seemed that the card had been hastily written on the cars, put into the merchant's pocket, discovered several days later and then mailed. "We have since," concludes the writer, "done a very nice business with this man."

## His Music Room.

"And you call this your music room?"  
"Yes."  
"But there are no musical instruments in it?"  
"No. It's so constructed that I can't hear any of the surrounding music that may be turned on from time to time."  
—Viola World.

## AMUSEMENTS

## BUTLER THEATER

The feature tonight at the Butler will be a photo drama of English life, starring Lillian Tucker and Edwin August. Aristocratic English society life, involving scandal, divorce, military routine in Indian, unhappiness, reconciliation—there are the ingredients of the drama "Evidence," which was recently successfully played at the Lyric theater, New York. The evidence meant by the title is that held by the husband against his wife, who innocently allows herself to be compromised by an amorous army captain. There is a divorce and the efforts of a good-natured friend to reunite the pair are balked until at length the offending army captain is induced to sign a letter exculpating the wife. Then there is reconciliation and the restoration of happiness. Lillian Tucker plays the part of the wife, and Edwin August is Curley Lushington, the good-hearted friend. The Indian scenes, the flying ballet of pretty girls, and the beautiful photography make "Evidence" an unusually attractive offering in the motion picture theater.

The preliminary reel will be a Pathe Weekly, which will be run ahead of the feature.

Tomorrow, a Fox production, with Robert Mantell, the world's most eminent dramatic star, in "The Blindness of Devotion."
